

Alice V. Almasy Scholarship

Based on your academic record and submitted scholarship application, you have been selected to receive the **Alice V. Almasy Scholarship**. The award amount(s) and term(s) are listed on the right under the Award Details section.

This offer is contingent on good academic standing and full-time enrollment in the College of Letters and Science (L&S). A thank-you letter to the donor of your scholarship is required prior to payment of your award; see the attached instructions for details on how to write your letter. Because the donor of your scholarship is deceased, please address your thank you letter to the Dean of the college, **John Karl Scholz**.

The L&S Scholarships Office maintains the private mailing addresses of donors and will deliver your letter to your donor on your behalf after you submit it to us. Please also send a recent medium to high resolution digital photo of yourself to our e-mail address at scholarships@saa.ls.wisc.edu. This photo will be sent to your donor and may be used for purposes of publicity.

In mid-January the Bursar's office will post your award to your tuition account to cover your tuition first. Any remaining balances will be issued and mailed to you in a check. Receiving scholarship payments can result in adjustments to your financial aid. If you have questions regarding your financial aid, please contact the Office of Student Financial Aid directly at finaid@finaid.wisc.edu

Please know that your application spoke well to all your hard work and pursuit of excellence both in and out of the classroom.

You will be honored at a reception hosted by the Dean of the College of Letters and Science in September. You and your family will receive an invitation later this summer with instructions on how to RSVP.

If you have any questions regarding this award, please feel free to email us at scholarships@saa.ls.wisc.edu or call (608) 262-4852.

Congratulations!
